POLICY MEMORANDUM KY-FD-PM-S-07-02

To: School Food Service Directors / Agency Administrators

From: Teresa Ulery, Director 
Division of Food Distribution

Date: July 19, 2006

Subject: Commodity Assistance Rate - School Year 2007

The USDA Food and Consumer Service Office has notified this office that the commodity assistance rate for each reimbursable school lunch for School Year 2007 will be \$0.1675 cents. This is a decrease of 0.75 cents from the school year 2006 (July 1, 2005 through June 30, 2006) rate, ECOS now reflects this change. At this time your entitlement is based on the above amount and the number of reimbursable meals reported to us by the Department of Education, Division of School and Community Nutrition for the 2005 school year. As soon as the information from the 2006 school year is available, the number of reimbursable meals will be adjusted, not later than early December.

Should you have any questions or concerns about the Commodity Assistance Rate or your entitlement amount, please contact Dan Flaherty at 502-573-0298 Ext 278 or email to Dan.Flaherty@ky.gov
